INTRODUCING AN EXCITING NEW RANGE FROM AVO

Marinades, Sauces, Stir Fry Sauces, Crumbs, Fillings & Meatloaf Mixes

AVO is a leading family owned food ingredients manufacturer based in Osnabruck, Germany.

They are widely recognised throughout continental Europe as having a second to none reputation for **quality, innovation, state of the art production facilities, excellent cost in use and customer service.**

Their appreciation and understanding of the UK market is well known and is reflected in products already supplied extensively throughout the UK.

Our specially selected AVO range of products include:

LAFINESS MARINADES *Pages 3-17*

AVO Lafiness marinades are guaranteed to be a focal point in your display! Developed from the finest Rapeseed oil, they are GMO Free and Gluten Free. With a distinctive and diamond like shine, they offer an excellent visual appeal and their balanced flavour delivery is second to none.

CRUMBS *Pages 27-29*

A range of Crumbs that have been specially selected with the Butcher and Farm Shop in mind. When used they will create a perfect crispy crumb that is full of flavour, while adding an excellent visual appeal to all meats.

WATER BASED SAUCES *Pages 18-21*

AVO water-based sauces are specifically created with the UK butcher in mind. With a superior appearance, their balanced flavour delivery offers a versatile, flavoursome meal solution for meat or vegetables.

GOURMET FILLINGS *Page 30*

Versatile fillings that add great flavour, texture and interest to a wide range of meats. Easy to use with or without a piping and suitable for oven cooking. When used with the AVO crumbs, you can create the on-trend concept of flavour layering, to bring new product ideas to your counter displays.

MARITOP STIR FRY SAUCES *Pages 22-26*

A tasty, attractive and quick gourmet meal solution that guarantees consistency time after time. Ready to fry in a wok or pan, its also excellent as a pour over casserole sauce. A complete sauce which contains crispy vegetables!

MEATLOAF MIXES *Page 31*

AVO Meatloaf Mixes are very versatile and can be used to make either Meatloaves, Croquettes or Meat Balls. They offer a perfect light texture between a sausage and a burger. They can be used in conjunction with a wide variety of AVO sauces to create easy convenience meals suitable for the counter or the multideck.
